CLIQUE MAGAZINE
1-YEAR ANNIVERSARY!

Welcome to New York City's Annual Lesbian and Gay Pride festivities and the **CLIQUE MAGAZINE** Pride Guide. This guide is unobjective, based on our **SCENE QUEEN'S** experience over the year, and for that we have no shame. Besides, Scene Queen admits to spending too much time in the **Escuelita Men's room** carrying on. But in any event, what follows are her expert picks for Pride Week. And just a reminder: If you couldn't do the party all year what makes you think you can throw a fierce function come Gay Pride?

On Monday, go to Milk at Champs because T-Pro is a fierce D.J. and the boys up in there are real cute. Remember to tell the white boy in charge that he needs to start supporting your magazine rather than just taking your hard earned money. None-the-less, it is a good way to get your week started because there is an excellent mix of Latino, Black, and even some White boys for the snow queen in you.

Tuesday is where the fun really begins though, as you are hereby instructed to haul your ass to Harlem by any means necessary, because the **Lenox Lounge** is where it's at. The ambiance is fab with an old school feeling. The place brings back memories of any great little spot you thought used to swing back in the days.

Wednesday Night you must go to the **Clubhouse** where fine D.J. Frankie Paradise promises to gag you. The downstairs lounge is in full throttle and rough trade is everywhere; A little too rough for my tastes, so that is why I will be upstairs at the **Michael Omni Mini Ball** where cute Muggers, Aphrodites and Moschinos will be serving face and body. After the ball, you will be certain to pick up a hottie from Atlanta, or DC; we are told the Omnis are coming from all over for this hot event.

Thursday belongs to the people over at **La Nueva Escuelita**. We regret that there is no competition on this night, but the boys are pretty, the girls are strong and it is free. So just go.

Friday Begins the **U-Men • U-Sweat Trilogy** starting with the **Octagon**. Every one will be dressed to the bone trying to play the power pose game but that wont last for long. D.J. Fred Pierce will soon have to most powerful poser grinding on the dance floor he wont even remember that it was pose night. The **Boom Boom Room** will be the spot as D.J. UnKnown has proven himself to be the man upstairs. The kids live for him and his antics, but without Calvin Smith my reggae needs would not be met so hats off to my favorite Reggae D.J. Also on Friday Night for those of you who want to cut the chase and go

directly to home run **Blatino** will be in the Bronx with a fuck fest. Don't be shy, since almost every one has a Blatino craving that can get satisfied on Pride weekend.

Saturday you have a few Choices, but in our expert opinion—and this is the gospel—The **Marc Ballroom** will be the place to be. It's convenient, and my favorite D.J.s will be turning it out that night: **Fred Pierce** and **Frankie Paradise**. The function will be hosted by **My Gossipist**, The **Legendary Kevin Ultra Omni**. All the cuties from DC will be up in it since **Rodney from the Delta DC** is spinning, too.

Head to the Bronx for the **Warehouse**. The bi-level space is cute, and **Sedrick from DC** will be spinning with **legendary Andre Collins**. Also Saturday night **Blatino** moves to **Brooklyn**. Sunday you must go to **Twilo**, See **Fonda Rae** perform, eat up the free food, and make sure to thank **James Saunders** and **Fred Pierce** for a fun weekend.

Again welcome to our faboom city, happy pride, play hard be safe, and remember that **CLIQUE MAGAZINE** told you where to go. And that is the Pride Week club gospel according to us. Can I get a witness? ▼

Gossip Mill

BY THE LEGENDARY KEVIN ULTRA OMNI

Once upon a time, a fag told me I was jealous of them because they wore a fur coat. I would not be jealous of a mannequin sporting a fur in a store window, so why would I be jealous of an individual, when the only difference between the two is that the dummy in the window doesn't speak. Some wear raccoon furs and others look like raccoons.

NYC clubs are jumping, but, some are opening and closing just as fast. So hats off to **Octagon Fridays**, **ClubHouse Wednesdays**, and **Lenox Lounge Tuesdays**. Shout out to **D.J.s Unknown**, **Andre Collins**, **Frankie Paradise** and **Nile (NFX)**. Speaking of D.J.s, a particular D.J. had his records held inside a club due to not being able to pay his bills. Rumor has it

that a promoter wasn't able to pay his bills (staff) either. Money can disappear when you are not paying attention.

I really enjoy myself at the **Lenox Lounge** due to its friendly staff. **James Bell & Criss**, the promoters **make you feel very welcomed**; plus, there are mad cuties uptown in Harlem.

I am certainly looking forward to **Pride Week; U & Me** are always serving and totally Ovah! **James Saunders** is the **Gay Pride Diva** of NYC; work James. Congratulations to **David Ultima** on his win as **Best Designer**, at **Chris Jones' Fashion Extravaganza**—an excellent show—those models, the bodies, the pectorals, gluteus maximus and breastesisis were to die for.

Ultima & Ultra-Omni are now united. Shout Out to my very good friend **Richard Ebony**. We regret

the passing of **Mike Ebony**. Happy Birthday shout outs to **Frankie Paradise**, **David Ultima & Lewis Nicholson**. Happy Anniversary to **CLIKQUE**. Congratulations to **Mother Couture**, **Lloyd Allure** on their successful mini-balls. Shout Out to **Albert**, **Cypress** and the **House of Latex** on hosting such a fabulous function.

Everyone is getting ready for the **Ball of all Balls** in August by the **Legendary Eric Bazaar**. If you are sick of those balls where hardly anyone attends, rushing of the categories, no grand prize \$ etc., then you won't want to miss the **Legends Ball**. It will be ovah! For all you children who constantly are fighting one another, can you use that energy to fight for a worthy cause? There is a need for more support on every level in the fight against AIDS. During **Gay Pride Week**, with all the flesh coming into town, please remember to be safe & wear condoms.

I will be at the **Octagon**, **The Marc Ballroom**, and **Twilo**, and if you are fierce you will be there to. I am also looking forward to **Hosting the ClubHouse Anniversary** next month. I will also be **hosting the U & Me Marc Ballroom** party, which promises to be all that and more. Special thanks to those who supported the **Ultra-Omni picnic**. Shout Out to my supporters from **Essence & Vibe** magazines; Shout Out to **Guy Trebey**, **Chi-Chi Valenti (Club Mother)**. Shout Out to **Venecio**, I love hanging out with you at **Keller**. **Brooklyn Gay Pride** was cute; celebrate everywhere always. ▼
